Fall Conference Chairman – August Bulletin - Revised

Greetings All!
President Lema and I recently met and discussed plans for our 2020 Fall Conference. Unfortunately, the Covid-19 crisis has made planning very challenging this year. Unique and unchartered waters have become staples in so much of what the AMVETS Ladies Auxiliary has had to deal with this year. Due to continued uncertainty and restrictions created by several of the Governor's most recent executive orders, as well as our inability to ensure a safe and fun learning environment, we are cancelling the Fall Conference this year. However, we are considering the potential of adding education or training to the Spring SEC if we can safely do so. I'll keep you posted on any developments in that direction.

Faye Richardson-Green, Fall Conference Chairman
