

Final Report Convention 2018

Well convention 2018 is over and we experienced our first of three years at the Crowne Plaza. Things went pretty good and the staff was very helpful.

Thank you Madam President Wendy, hope you enjoyed your convention.

For inquiring minds the following Aux. donated to the Dept. President's gifts - 9,22,23,57,79,93,114,115,121,126,171,1988,4064,4250, also the Dept., District V, District VI and a personal Donation. All this added up and \$660 was in the nest eggs and \$100 went for edible arrangement and the birds.

Please remember when making your yearly donations to include the president gift and show how much we appreciate her and her year of service.

Thank you Doreen Pierce for being attendance chairman and all your helpers. Our Aux. Sisters were very generous donating many gifts and sharing many smiles for each Session

Credentials Chairwoman Pat Whitcher, thank you, did such a great job she was asked to do it again next year. Pre registration of twenty five members and five at convention, Gave us \$475.00 plus all the PDP's and Department Officers, this worked out thanks to Nancy Middleton and Pat Whitcher great job hope we have more members next year.

The convention chairmen's \$20 gift was presented, think to Aux 122 for having more voting delegates on Sunday morning then the previous convention. We had a total vote of forty six, that is a very sad showing for all of Michigan maybe next year it will be better, one can only hope.

Our Chaplain Linda Marshall did a fine job opening and closing convention with the bible, thank you. Also the memorial service with AMVETS Chaplain John, Sons and Riders was very moving great job well done thank you.

Congratulations to Madam President Kathy Schultz and the new Officers, especially Convention Chairwoman Maureen Jackson, if I can help in anyway just ask.

Thanks again for convention 2018 and all and any help I received very memorable year had a good time

Yours in AMVETS Ladies Auxiliary

Convention Chairwoman 2018
Caroline Pickett
