

Honors and Awards Bulletin

February 2019

At Spring SEC I presented all Donor's Award Rules. There were 2 Donor's I did not hear from, so no changes were made to those donor rules.

All changes that were presented passed, though there was some discussion on a couple of them. It seems that some parts of them just needed clarification. These amended rules are being updated and will be emailed to the Executive Secretary by the March 1 deadline. They will then be printed in the Convention Digest. You will also be able to find them online on the new Auxiliary website AFTER the printing is completed.

I held an Honors and Awards Meeting to go over all the mid-year reports that were received so far. We discussed any issues that were presented. There was one dispute as to whether or not last names were required on the Local Service Report form where Volunteers are listed. This was taken to the SEC meeting and the question asked. It was loudly voiced that YES first AND LAST names both must be listed in the volunteer section.

I also held a "crafty" session for those interested. Sadly we were a very tiny group. Though I have tremendous thanks for those individuals who came and did participate. We firmed up the program to be held at Convention and what would be needed

from the Honors and Awards members, and/or the entire Donor group, as they were invited to partially participate. A sheet giving direction to the Donors on requirements for participation, should they choose to do so, was passed out. For those Donors who were not present I will be mailing out the same sheet that was handed out to those present at Spring SEC.

Should you have any questions I would encourage you to call or email me.

I think (and hope) it will be a fun time.

Yours In Service,

PDP Wendy

Honors & Awards Chairman
