

Secretary's Bulletin

The Convention Digest will be coming out around the middle of March. This should contain everything you need to know about the upcoming Department Convention – and maybe a few things you need to know but didn't think to ask.

There will be bulletins/articles from our President, 1st Vice President, Service Officers, Parliamentarian and others who have information you will need to know. There will be all the current donor's rules for Department awards, registration forms for convention, Revalidation Form, a sheet listing all the donations you may want to send for our programs, etc. There should also be a tentative agenda from the President.

This bulletin is mailed to each local President. It is intended to share with all the local Officers and those coming to the Department convention. It is also sent to each Department Officer and those who have purchased a year's subscription to the Department's monthly newsletter.

Please read all the information contained in this special bulletin.

Nancy Middleton

Ex. Secretary

Dept. of MI
