

## Scholarship October Bulletin

Hello Everybody

I hope that everyone had a great learning experience at the Fall Conference. I would like to thank the instructors for being so informative and hope that the members will take the information back to your Locals.

I had a Scholarship Committee meeting to discuss the application and we came up with some changes to make it easier to understand. I would like to thank my Committee of Pat Michalski, Faye Richardson-Green, Clarice Poisson, Doreen Pierce, and Bonnie Rojas. The updated Scholarship applications will be on the website within a few weeks.

Let's get started working on our projects for Scholarship. My Department project will be for the month of February, which is National Scholarship Month. It will consist of selling Bookworms for \$1.00 to be displayed at your Post. I will be mailing them out in January.

Don't forget that all Mid Year Reports are due by November 5, 2019. Mail or email your Scholarship report to me at the address on the bottom of this page.
