

November 2019 Personnel Chairman Website Article

By: PDP Kathy Biela

Special thank you to PDP Faye Richardson-Green on the wonderful job she did as this years Fall Conference Chairman, and to Instructors PDP Pat Michalski, PDP Nancy Middleton, and thanks for allowing me to serve as your 3rd Instructor. We had a great turnout and a fun day sharing information and ideas with all of you. Hopefully those who attended picked up some new and helpful information that you took back and shared with your local auxiliary. We were all excited to have you there!

Well the deadline to send in your mid year reports has come and gone and I hope everyone remembered to send a mid year report in, whether you had anything to report or not. Your Service Department Officers have all been busy reading all of your reports.

Ongoing thanks to all our Department Officers who have been doing a great job getting their articles and bulletins out to Nancy Middleton and Pat Michalski. Again, communication is the best way to keep everyone informed and updated on what is going on and you are doing a great job! I hope the members are feeling better informed.

A reminder to the Local Presidents, the information is being put out there and you are likely the person at your local level receiving the newsletters, so please, PLEASE share the information with your auxiliary members at your meetings. Don't just say here's the newsletter if anyone is interested in reading it! Talk about some of the highlights of things coming up: Activities, deadlines, etc., from the newsletter. You don't have to read the whole thing out loud, but you should be sharing information with your members to make our communication a success! And be sure to also encourage all members to log onto our website to keep updated as well.

As the Thanksgiving Holiday approaches, I want to wish everyone a very Happy and Blessed Thanksgiving and if you are traveling, please stay safe.

Keep up the great work everyone and if I can ever assist you in any matters, please don't hesitate to contact me.
