

DECEMBER NEWSLETTER

BY ROSE SOLAK, 2ND VICE PRESIDENT

It's the Season of Giving. Let's support the needy, underprivileged and abused children with Love. Sponsor a Christmas Party at your Post Home, with AMVETS approval. Serve a light snack & refreshment, have a sing along with Christmas Carols, entertain by reading a Christmas Story and an inexpensive gift from Santa.

A coloring book & crayon or Santa stocking with a candy cane. Cut out the shape of a stocking from used Christmas cards, punch out hole around the edge and crochet them. A simple and inexpensive project.

Here are some suggestions: Support a Giving Tree with name tags of a Child Wish List, Giving Tree with hats, gloves and scarves, also support the Goodfellow Newspaper Drive, No Child Without A Christmas, dress a doll for Goodfellow, Marine Toys for Tots and Selfridge Readiness Program with a unwrap child gift.

While visiting a Juvenile Detention Home, children were asking for personal care items, snacks, cheese crackers, raisins, granola bars, hard individual wrapped candy, juice boxes, books and crossword puzzles.

Let's not forget Worchid, a child of a deceased Veterans with a Christmas cards, a gift, a movie, ice show, invite them to join JUNIOR AMVETS or a youth volunteer in auxiliary projects.

District Presidents: remind the auxiliaries in your District to participate in Gift Card Shower for Penrickton Center for Blind Children. The Districts and Local Auxiliaries who support the Gift Card Shower will be in a drawing for a prize at convention.

Thank you for your support and let's Focus on the Future of the Children. Wishing the AMVETS FAMILY a Blessed Christmas and a Happy Healthy New Year.
