Chaplain's Bulletin – May, 2020

Hello all you AMVET Ladies Auxiliary members. Just a short note to remind you to send in all your deceased members for 2019-2020. This is so we will have them at the Memorial service at next year's Department Convention. Just because there is not a convention this year, does not mean their names should not be read.

You can call me or text if anyone needs a card sent for illness or just needs a card.

Pat and I have made over 700 masks. Does anyone need one? Please keep us busy (not even sure of day or date).

Prayers for all to keep safe, and that this quarantine ends soon. God Bless you all.
