**#1 As Americanism Officer for your Auxiliary, it is your job to encourage all members to actively participate as purposeful citizens.**

**#2 Set up a notebook to record all work done by your Auxiliary members. It is much easier to fill out a report if you have an accurate record.**

**#5 One copy of your Mid-year Report is mailed or e-mailed to the Department Americanism Officer, postmarked no later than November 5th of the current year. File a report even if you have “ Nothing to Report at This Time ”. One copy of your annual (final) report should be mailed or e-mailed to the Department Americanism Officer postmarked no later than May 5th of the current year.**

**2020/2021**

**The Serve Our Servicemen (and women) Program is equally important in peacetime as in war. By bringing assistance, help, cheer, etc., it lets our active duty Service Personnel know we care and appreciate their service to our country.**

**Suggestions for SOS Programs/Projects:**

**#1 Present writing kits and toiletries to our Service Personnel as they leave for service.**

**#2 Keep in touch with Service Personnel from your community. Remember them on holidays, birthdays. A subscription to the local newspaper is always appreciated.**

**#3 If there is a U.S.O. Center in your area, contact it to see how your Auxiliary can help. The U.S.O. needs volunteers and items, so there is much you can do.**

**#4 Send comfort packages to those overseas.**

**#5 Make Servicemen or women who are visiting your area feel welcome. Invite them to your Post Home for scheduled activities and the use of your facilities.**

**#6 Help provide transportation for visiting Servicemen**

**#7 Letters mean a lot to anyone away from home - many without families. Sponsor letter writing projects.**

**#8 Send expired coupons (up to 6 months expired) to Servicemen/Women overseas. Addresses of where to send them can be found on Google by searching "Expired Coupons for Military".**
