

May 2020 Personnel Chairman Website Article

By: PDP Kathy Biela

Hi Ladies. Well this has definitely not been the "normal" type of year that we are used to having, to say the least, but I hope this finds each of you staying healthy and safe. After all, what could possibly be more important than that?!!

Like everyone affected by challenges of the Coronavirus, our Ladies Auxiliary has also been faced with its share of challenges. The biggest of course is the canceling of our Department Convention this year.

I want you to know what a great job our Dept. President has done working with all of our Department Officers, via email and telephone conference calls, to help us all make the best possible decisions for the good of the Auxiliary. In addition, she has corresponded closely with the AMVETS Dept. Commander, and National both directly and through her Parliamentarian, etc.

Kudos to all our Department Officers who have also been working hard to get a plan in place for our Department under these unique circumstances, so that we can continue to run successfully, and will be ready to face the next year together, in the best shape possible. Your efforts have not gone unnoticed or unappreciated!

For the Officers who will continue their roles for the next year, since we will not be together to vote for a new slate of officers, I want to personally thank each of you for stepping up and doing what you need to do to help things continue to run smoothly. This is something that we have never been faced with before! And if you are unable to maintain your office, then thank you for the job you have done.

With that said, please continue to stay safe everyone so that when we can all join together again safely, everyone is there! Keep up the great work and as always, if I can ever assist you in any matters, please don't hesitate to contact me.
