

AMVETS Ladies Auxiliary
Department of Michigan

Dear Auxiliary Sisters,

June 16, 2020

I know I should be travelling to visit many of you at this time of year. But with Covid-19 and the Stay at Home restrictions, in addition to health considerations, this will not be happening this season.

My purpose for reaching out to each of you is to ask for your help by mailing via USPS all Historical and Event Information that you have from this 2019-2020 season or send it via Email. Please provide pictures if available. (Address & Email Noted Below)

Also, please send me any information about you or another Auxiliary Sister who is providing assistance during this Covid-19 Pandemic, i.e. sewing masks, donating blood, donating to food banks, etc. Please provide pictures if available. (Address & Email Noted Below)

These are the Services that should be recorded for future generations to look back on, to show as examples, of what we have done as an Organization during this period in our History.

Thank you for your help and I hope to be able to receive as much input as possible from everyone.

Stay Safe...Stay Healthy,

Kathy Jo Johnson
PRO/Historian
AMVETS Ladies Auxiliary Department of Michigan

Address: 54741 Darby Street, Chesterfield, MI 48085-I will reimburse postage.
