

## **Ways & Means Chairman – August Bulletin, 2022**

I am planning on a Chinese auction at fall conference. I will also have a bake sale so you will be able to purchase snacks and goodies to bring back to your room. I will also have soda pop for purchase.

If you want to donate anything for the Chinese auction, I am trying to be somewhat specific on the donations. I want the items to be highly unique. Brand new, clean, please no junk.

I will also be having an OWL Raffle!! And that one I will keep as a surprise, but it will be a daily raffle.

Wish me luck and thank you in advance for all the donations.

I have been finding large prizes for convention, I am looking for donations of bottles of alcohol and I will be making a nice drink cooler with all the accessories.
