

**Americanism/S.O.S. Bulletin, November, 2022**

This year's SOS project is Michigan USO focusing on Camp Grayling USO program.

Also you will see the new updated Americanism forms on the website.

We as a committee are working on a fundraiser, so please keep an eye out for more information as we get it.

Do not forget your mid-year service reports.

Remember Veterans day is coming up and if you have the opportunity to attend any festivities, try to go as it is so rewarding to honor our Veterans.

Lastly, I was glad to see new faces at the fall conference and it was so good to spend time with everyone.

Dept. Americanism/S.O.S. Officer  
Pam Lein
