

November, 2022 Bulletin – Community Service

The PAWS With A Cause tour is set for Saturday October 22 at 11:00am. The National 3rd Vice Mary Lanphere will be attending. Lets give her a warm welcome. I need to know by October 16th if you will be attending so I can e-mail Kristy on the 17th with a final count they will be serving a light lunch.

Report time will be here soon. There are 2 awards for Community Service. PDP Maureen Jackson with 10-40 members and Wendy Lynema with 41 and over. For both awards you must be in good standing with the Dept. of MI, both mid-year and final reports must be submitted on the current regulation Dept. report forms, you also must contribute to the Dept. Community service project. Reports must be post marked by November 5th. Remember if you have nothing to report still send in the cover sheet with nothing to report at this time. This will show you sent the mid-year report and you will still qualify for awards.
