

Americanism Bulletin - 2022

Hello everyone,

I want to thank everyone who got their reports into me for Americanism.

I will be working to put in everyone's information. I just attended the Veterans Celebration at Post #22. It is so touching to honor all those service men and women who attend. Thank you, Pat Michalski for asking me to do a reading. It was an emotional and beautiful poem.

The committee and I are still working with the Amvet third vice on the Americanism program. We are working on getting a raffle as well as I am working on a fundraiser project to help raise funds for the program. I did receive in the mail three National poster winner for our district. We had first, second and third-place winners, a nice surprise. We will make sure to get the certificates and gift cards out to the winners.

Thank you
