

Webmaster's Note- This bulletin was emailed to me on 7/29/22. I saved it to a file but forgot to Post it to the website:

From the Executive Secretary – Bulletin - September, 2022

We recently had an Officer's Training meeting. I attended as the NEC Woman but there was a large discussion about something which concerned the Department Secretary's position. I am not sure if any other Department Officer will be sending a bulletin regarding this subject, so I decided to write one. So here goes.

If local Auxiliaries have questions, they need to contact the Department Officer who would be their counterpart. (i.e. bylaw question – Dept. Parliamentarian; membership question - Dept. 1st Vice; Fall Conference question – Dept. Fall Conference Chairman; and so on). If you are not sure, call the President.

A list of all the Dept. Officers with address, phone number and email address was sent with the Department newsletter. A list of all Dept. Officers is also on this website.

I will miss talking with some of you because we have become 'phone friends'. Take care – and good luck for the 2022/2023 year!

Nancy Middleton,
Executive Secretary
