

1st Vice President – Membership Bulletin, April, 2023

Since I have only been 1st Vice President for about a month I don't have much to report. Please send all D and Rs to our Dept. Secretary, Nancy as they are due by May 25th and after that date they will be held for the next membership year. All Hospital dues for Life Members are also due.

Hospital dues are used to support our VA Hospitals for their allotments every three months. It is very important to send in all Hospital dues.

We have one Local that is not up to charter and that is Post 110.

Linda Marshall
1st Vice President
