

Calling Out our Ladies Auxiliaries:

Here is a perfect opportunity to give to our great community service project "PAWS"!

August 6-12 is International Assistance Dog Week.

PAWS want to recognize not only the dogs but those amazing people who train them to get the dogs to where they need to be placed with clients. Here is that opportunity with a fundraising drive they are having.

They have an AMAZON wish list, and here are some ideas:

Kongs

Peanut butter

Gift cards to oil change facilities for the vans that transport

Gift cards for gas

A gift card to Meijer Gardens or other public venues for dog training purposes

Gift cards to restaurants for dog and trainer purposes.

Anything you can do is awesome. Please let me know in your reports if you do anything for this fundraising event.

Regards

Dept. Third Vice
