

Dept. of Michigan Americanism/SOS Officer - 2022-2023

I was finally able to get all the product and drive it over to Camp Grayling on August 10th. My day started at 0720 am and other than one box of bath shoes that came out from under the tarp on the freeway about 30 miles to the camp and me running back up the freeway to get it all went well.

The experience of seeing the camp busy with approx. 5000 men and women on base was awesome. I was greeted by Marines to help me unload. To say the least, they were all happy to see all the goodies that came. They took first dibs on the bath shoes.

These are the items we donated by all your gracious donations, 52 24packs of Sports drinks or 1,248 bottles, 896 packs of beef sticks, 660 packs of jerky, and 279 packs of bath shoes for a total of \$2866.94.

Thank you again for all your donations and to see first-hand our work.

Sincerely
