

## **AMVETS Department of Michigan Scholarship Bulletin - October 2023**

By Roberta Robinson, Scholarship Officer

School is in session and I am sure everyone is excited to get busy with getting your Projects underway. As we begin another new year, let's commit to fulfilling our Aims and Purposes in supporting the Scholarship Program through 100% participation and provide awareness of the Program to all of the AMVET family within your Post. Our goal is to increase the number of Scholarship Applicants and continue to increase our Scholarship Awards. Through your participation, we will achieve these goals! Remember to have your Scholarship Projects approved by your Auxiliary, recorded in the minutes and performed in the name of the AMVETS Ladies Auxiliary.

It hard to believe Fall is near and we are fast approaching November Service Report due date. The mid-year Local Service Report and Evaluation Form must be postmarked either by the Post Office or e-mailed by November 5<sup>th</sup>, 2023. Put a reminder on your calendar to get those reports in on time 😊.

As a reminder, Local Scholarship Officers and Posts without Scholarship Officers must submit the mid-year and final year-end Local Service Report and Project Evaluation Form even if you have no activity to report. Please refer to the Department website ([www.amvetsauxdeptmi.org](http://www.amvetsauxdeptmi.org)) for Local Scholarship Instructions, Service Reports, Evaluation Forms and the Scholarship Applications. If you are unable to access the website, please contact me and I can assist in providing you with the information.

Thank you for working hard to support Scholarship!
