

1st Vice President – Bulletin – November, 2023

MEMBERSHIP DEADLINES

#1 - Current honorary member renewals, Renew to Life memberships and the Department Life member assessments need to be mailed to the Department and **POSTMARKED NO LATER THAN DECEMBER 5**.

#2 - Renewed annual members (paid by 12/31) need to be mailed to the Department and **POSTMARKED NO LATER THAN JANUARY 5**.

The Department has deadlines for mailing membership into National Headquarters and the Executive Secretary needs the time to process and record everything before mailing it to them.

If you miss the December 5 deadline, your honorary members will be dropped from your roster, the Renew to Life will have to paid annual dues and wait until September to purchase a Life membership and if the Department assessment on Life members is not paid, your auxiliary will not be in good standing until they are received. This means no mailings and no processing of your membership!!

If you miss the January 5 deadline, you will owe \$5 more for each member whose dues were not received in time and they will be considered a "rejoin"!

Also, be sure your Officers have paid their dues by 12/31 or they will need to be replaced! They cannot hold an office if their dues are not paid. I will be checking the revalidations against each roster to be sure they have paid.
