

## **2<sup>nd</sup> Vice Child Welfare - December Bulletin**

**WOW**, you ladies are really doing some awesome things for Child Welfare.

I received **15** reports with corrections for only 4 auxiliaries..

I received mid-year reports from the following auxiliaries:

23,52,57,79,93,114,115,121,122,126,910,1957,1988, 2273 and 4064.

Some of the reports had nothing to report at this time so I'm looking for those to have some great things to report on their final report.

Please remember to carry your totals for midyear to top line on final with (balance forwarded from midyear.)

Speaking of reports, please remember to put your auxiliary number and always carry the total at bottom of Page one to the top line of page 2 (Balance forward from page one).

Ladies also remember everything you do at Christmas for children can be reported on your final report.

Happy Holidays to ALL.
