

CONTINUED ISSUES WITH D&R'S

#1 – Names are not alphabetical or sorted by type of membership. Each type needs to be separated and listed ALPHABETICALLY – LAST NAME, First name.

#2 – Include member ID numbers. The Executive Secretary does not have time to look them up for you. They are on the National roster you received in late September. This is your responsibility.

A NEW ISSUE! – Please do not change the D&R form to fit twelve (12) names on a page!! Those who work with the forms assume a full page have eleven (11) names on it until we start the actual processing and updating of the rosters!

REMINDERS

We are past the time for renewals to pay \$25. Annual members who missed the 12/31 deadline must now pay \$30 to the Department as a “Rejoin”.

Lastly, as I mentioned last month, I did check the rosters against the Revalidations in my file and there are six (6) locals who have officers who have not paid their dues into the Department as of January 13. Our bylaws state officers who do not pay their dues must be replaced.

I have notified the Department Parliamentarian and the Department President.
