

United in Service to

America

Well I'm hoping everyone survived the Holidays. Now we are dealing with the snow and ice and Cold temperatures.

As we head into the second half of our Auxiliary year, I want to thank the Local Auxiliaries who submitted Mid-Year reports. From the reports of the Department Service Officers, they were each proud of the Service work that was provided by the Local Auxiliaries. The only complaint that I heard was they wished there were more Auxiliaries reporting. I hope many more Auxiliaries will be sending in Final Reports.

Now that the Local Auxiliary Presidents are once again receiving the Department Newsletter which comes out monthly, I hope they are sharing it with their officers and members. As the Newsletter is addressed to the President, it is NOT hers. It is meant to be shared with all members to keep them informed as to what is happening at the Department level.

I am meeting with Bert Lema on Thursday, 1/18/24. She volunteered to be the Chairman of the Long-Range Planning Committee. She is in the process of setting up a TEAMS (similar to Zoom) meeting with the committee. More information on this later.

The Department Officers were to send any additions/changes to their Department Officer's Instructions to the Parliamentarian by January 1. Hope you all did.

The Spring SEC meeting will be held on Saturday, 2/17/24 at 1:00 pm at the Perry Post. All members are invited to attend, however only P.D.P.s (Past Department Presidents) will have a vote. Anyone is allowed to speak on any subject. Hope to see many members in Perry on the 17th of February.

Pat Michalski, President
