

2nd Vice Child Welfare = April Bulletin

I attended the Honor and Awards meeting prior to the Spring SCE meeting in Perry in February

It was very interesting talking to other Department Service Officers

Our main concerns are many of the Auxiliaries are NOT doing a very good job filling out their reports.

So PLEASE PLEASE remember to total each page and if more than one page still total first page and carry over that total to the second page on line one stating balance forward from page one.

Be sure to list your Post # and number of members, this is so important for the judges.

It's your responsibility to read and follow ALL THE DONORS RULES, if not you will be disqualified. And that is something I do not want to happen after all your Auxiliaries work thru out the year.

Looking forward to seeing your reports and all the great things your Auxiliary is doing.
