

Convention Bulletin - 2024

Convention 2024 is fast approaching. I hope you are making plans to attend. Remember to make room reservations at the doubletree (616-957-0100) Grand Rapids on 28th street - \$108 plus tax. June 20-23.

If that sounds like a long time, please know Thursday will be committee meetings and Friday morning is the SEC meeting with joint opening and memorial service in the afternoon. So if you choose to attend Saturday 8:20 am is our 2nd session with Honors and Awards in the afternoon. The Americanism program is at noon. Sunday is the election of new officers.

Please think about taking an office. We need new and interested members to move us forward.

Now convention is what you make it. A time to get together with old and new friends, see what is going on around the state and make us a better AMVETS Family.

As your Convention Chair, I'm here to help you. So please if there is something I can do for you, please get in touch cpickett121@comcast.net
