

Ways & Means Bulletin – May, 2024

Help wanted: Anyone wishing to get some relief and be out of the meetings at convention; Please send me an email and I will try to put you on the list every now and then to help sell Raffle tickets. I feel I miss out sitting in the hallway all during the convention.

Also, the Convention Raffle tickets will be arriving to the local Presidents very soon. Please help me to sell these tickets - the convention is coming very fast. Return money & ticket stubs to me when they are sold. Please bring unsold tickets to the convention.
