

President's Bulletin – December, 2024

Hello Ladies:

Happy Days! We are in the midst of the holiday seasons of cheer, Joy, and gift giving of all kinds.

My wish is for all to be happy and share with family and friends your blessed kindness and love.

I sent out a questionnaire to all department officers. I asked for feedback on the status of your office. I was pleased to receive several of your responses. I plan to contact and keep in touch with you until I have 100% feedback. I have an order and responsibility to each of you, and what you expect the office of your president to uphold. With your support and cooperation, I too can achieve success for all.

I was invited to attend the Post 22 Veteran's Day Celebration. I could not attend. I have in past years attended this extraordinary celebration for our veterans. I am so proud of our veterans and their families for what they have done and for much of what they continue to do. I could not attend, because at the same time a Texas Hold'em event, scheduled for a year in advance, took place at the same time for the department. Replacement of any Texas Hold'em volunteer is nonexistent with so late at the notice. Michigan's Gaming Control Board requires a certain number of volunteers during each four-day event. My absence would have meant a mandatory cancellation of that day. The state does not take kindly to any disruption and will penalize any organization at fault.

I want to reiterate information about our upcoming date for SEC. It is February 8th. The Honors and Awards committee meeting is at 11:00AM. At 1:00PM lunch is provided, and the SEC meeting will begin at 2:00PM. Please have your activity reports complete and refer to officers' instructions as to how many sheets are needed and if you are required to be at the meeting.

Thank you for your support and cooperation. Keep up your great work.
