

1st Vice President – Membership -January Bulletin

We have drawn numbers again for one of the Chairman contests, and again, there was no winner because the person had not renewed yet. It is so important to retain those members and get them to renew. We have one more time to draw numbers at the end of the month, and I hope we finally get a winner.

Remember when sending in your D&R forms that you are listing them Alphabetically and in the groups, they need to be in. If you cannot type them write so I have no problem or questions when recording them.

As we quickly approach the end of the year remember the big change of cost for Life membership. That cost will go up by \$75, which will make it \$300.

Some of the Aux. have had huge gains in new members, which is great. We just need to Retain those new members. I appreciate all the work that is being done.

Thank you for all you do to RECRUIT AND RETAIN.

Sincerely

Department 1st Vice
