BRING BACK THE BASICS

with President Gloria Hall

Hello Ladies,

I would like to begin to tell you about a road trip Nancy Middleton, 2nd Vice, Faye Richardson-Green, NEC, and I embarked on. It started off with Nancy's idea that we should attend a Stick Bingo Fundraiser at Post 57 in Harper Wood. The bingo proceeds to go for Penrickton Center for Blind Children which Mo (aka Maureen Jackson), Dept. 3rd Vice hosted. "Of course we should go" "I said. So, we went in secret. We think Mo was pleasantly surprised to see us!

This was not all that happened. By the time the event was scheduled to begin, three more Past Department Presidents: Bert Lema, Cel Rose Solak, and Sel-etha Robertson walked in. We all had a happy reunion. The night went on with happy winners of prizes and cash.

Kathy Keizer and Nancy Middleton hosted a Texas Hold'em on Oct 31- Nov 3. These dates, which are booked a year in advance, coincided with the Veteran's Day Event at Post 22. I was invited to attend, but I was sad to decline because I was scheduled to work the Dept. Texas Hold'em. The reason was simple. Replacement of a volunteer is at a premium and usually irreplaceable for the lack of additional volunteer names to draw from.

We have an Officer, Karen Krumm, who was hospitalized but has been moved to rehab in Reed City. I do not have any more additional info on her. I am told Jennifer Zaloney has been keeping tabs on Karen. Please contact Jennifer for an address to send a card.

Ladies to all who have had a hand in getting local service reports in, Thank you! I believe our percentage numbers are up!

I am wishing everyone the Merriest of Christmas's and a happy, happy New Year—2025!!

Regards from your Beekeeper,
Gloria

Seasons Greetings

The Chairman's contest with annual members numbered and a number was chosen on the last day of the month. The number chosen was 493 which was Constance Lyn from Aux. 126. She has not renewed so we have no winner. A drawing will be done again at the end of the month.

Please do not forget to review your Honorary members for their continuing membership. This is done each Fall at your meeting with a vote taken and noted in your minutes. Dues must be sent in \$15 for renewal postmarked no later than December 5th. They need to go onto National and be received no later than December 31st. Every local may sign up for 2 NEW Honorary members each year along with the Honorary members you already have. MALS were sent out with their letters.

GOOD NEWS! The Membership cards and National roster have arrived. Due to the lateness of everything, the Dept. Secretary is sending out the National Rosters with instructions on what to do with them. This will be done in Numerical order of Auxiliaries. Some Auxiliaries that have not sent in memberships so they will go last.

DEADLINES DATES FOR MEMBERSHIP- Honorary, Renewals of Life membership be postmarked by: 12/5/24 due to the holidays and how mail moves so our secretary can get everything to National. Life member assessment is \$3 and must be received by the Department on or before 12/31/24. If this assessment is not received by the end of December, your Auxiliary will not be in good standing.

Please remember, when filling out your DNR forms they are current, last name first, and in alphabetical order. Also, it is important if you are handwriting these to make sure your spelling is clear and precise. PLEASE DO NOT: hold your renewal until the end of the year. You can send them now to the Secretary, Nancy Middleton..

Regards

Department 1st Vice Pamela Lein

MORE MEMBERSHIP NOTES

From Nancy Middleton, Exec. Secretary

If your local 1st Vice does not receive this newsletter, please share this message with her. It is very important!!

Finally, after several months of enormous membership problems, we finally have about 85% of them cleared up and another 10% with temporary fixes. By the time you get this newsletter, ALL memberships received by 11/30 should have been completed and returned to the local 1st Vice/Membership Chairman. If she has not received all the memberships by December 4 which were mail to me before Nov. 28th, please have her call me right away at 616/455-4525. It has been a difficult year and in addition to the normal busy office requirements, all the D&Rs have had to be revisited for annual cards. I think I got through them all—but it is very possible a few got missed.

Merry Christmas to all—and let's pray for a smoother 2025 Membership year!!!!

CHILD WELFARE

Nancy Middleton, 2nd Vice President

In a way I am disappointed because we could not get 100% of our Auxiliaries to file a midyear service report. BUT I am so proud of the 19 Auxiliaries who did send me a report. Some simply had "nothing to report at this time", some had one or two project; some had several busy weeks and months of programs for Child Welfare. Regardless of their individual totals, it was awesome when all the numbers were added together.

When I submitted my Department Child Welfare report to our N.E.C. Woman, I was so excited and couldn't wait to let you know what all 19 of these Auxiliaries have accomplished: a total evaluation of over \$80,000.

Who did this amazing work?: Auxiliaries #22, #52, #57, #79, #93, #114, #115, #120, #121, #122, #123, #126, #910, #1941, #1957, #1978, #1988, #2273, #4064. I am counting on them to follow through with a final report in April (postmarked by May 5, 2025).

Who was missing? #23, #110 #3720. Hopefully they will do a final report in April (postmarked by May 5, 2025)

Sort of...

FUNNIES!

Did you hear Mrs. Claus got Santa a new refrigerator for Christmas? His face lights up every time he opens it.

Snow globes don't ever get scared but occasionally they get shaken.

What's more unbelievable than a talking reindeer? A spelling bee.

The main reason Santa is so jolly is because he knows where all the bad girls live.'

What goes, "Oh, oh, oh"? Santa walking backward.

Don't you hate it when someone answers their own questions? I do.

How do you make holy water? You boil the hell out of it.

When everything is coming your way — you're in the wrong lane.

A termite walks into the bar and asks, "Is the bar tender here?"

There are three kinds of people. Those who can count and those who can't.

HOSPITAL NEWS

by Trisha Rosenberg, Hospital Officer

Happy Holidays to one and all. Please remember our service men and women during the holidays, both active and retired. This time of year is hard on our homeless veterans. The VAVS representatives are challenged with requests to support Homeless Veterans who come to the VA hospital for assistance but are not served as inpatient veterans. The VAVS representatives are in need of your support. Please consider a project to assist at the District and/or Local level which will make a veteran smile.

I want to thank all 20 Posts who submitted a Mid-year report. They are 22, 23, 52, 57, 79, 93, 114, 115, 120, 121, 122, 126, 910, 1941, 1957, 1978, 1988, 2273, 3720 and 4064.

Unfortunately, I do not have a report from Post 72, Post 110 and Post 123. Please remember to send your final report on or before May 5th.

Remain safe and stay blessed through out the season and make a veteran smile. Thank you for all that you do!

PARLIAMENTARIAN NEWS

by Bert Lema—Parliamentarian

Just a couple of important reminders:

- ★ If you are the Local Auxiliary President and receive the monthly newsletter, the expectation is you will share the information within with your Local Officers. All of us provide information to assist our Local Officers in the fulfilment of their duties.
- ★ For Department Officers: You are required to review your instructions and notify me of any recommended changes in December. With the excitement of preparing for the holiday season, we can get a bit behind on other responsibilities. I am recommending you take sometime to review them sooner rather than later, so you do not forget. If everything is good with you, send me a quick email saying no changes are needed. I will be in touch individually with all of you, as well.

Merry Christmas and Happy Holidays to all of you and your families

As always, when you have a question, you can email me at lema81@wowway.com or give me a call at 586.214.1019

Sending prayers to the family of Elaine Wilcox from Durand Post 2273. She passed away on October 6.

Please keep our Brothers and Sisters who have been impacted by storms the last few months in your thoughts and prayers.

I'm sorry if I have missed anyone or anything. I have been dealing with some health issues and have gotten behind.

Remember to 'Bee' Kind to everyone.

WAYS and MEANS

by Patsy Watkins, Chairman

Where has this year gone? When you are reading this newsletter it will already be December. Wishing everyone a very Merry Christmas and a very nice New Years.

I hope you enjoying reading the items in the Ways & Means fundraiser calendar for January. If you choose not to join in the fun of the calendar you can pay \$5.00. You will be surprised at the things we take for grant in our everyday life. Look for another calendar in March.

If anyone has items they would like to donate for a white elephant sale please let me know. (contact info at the end of this article) I need to know by the February SEC meeting in Perry. You also may give the articles to someone coming to the SEC meeting.

I am looking forward to our Ladies Weekend at Higgins Lake in April. It's very enjoyable, relaxing, and a very good way to get to know everyone. I believe we will have 4 National Officers two who will be there as well.

Dress Code at Events and Meetings

For those who were not at Fall Conference, here is something I know most of you at local Posts don't know. Did you know that even at our own local level we have a dress code we are supposed to go by? I know most Post don't, but it was new to me just a few months before Fall Conference, so I thought I would pass it on to everyone.

You can wear black skirts, jean pants with no wholes, a clean shirt that is not a v neck or low cut and then no open toe shoes preferred. Now I am not telling you that your Post must go to this. I just thought it was interesting because I know at Department and National there is a dress code but after being a member for 8 years, I did not know about a Post dress code.

Shows you there is so much to learn.

LONG-RANGE PLANNING

By Bert Lema, Chairman

Hi, Everyone!

Based upon requests received from some of you, the committee will be meeting soon to develop some training plans based on the specific needs of our Local Auxiliaries. If you are interested in having specialized training for your Auxiliary, please let me know using the contact information listed below.

The proposed training will probably be provided via online programs. In addition to what topics you are interested in discussing, we will need to know whether or not you have WiFi access at the Post or available to you at another location.

If you have any questions, contact me at 586-214-1019 or lema81@wowway.com. I check voicemail and email daily and usually respond within 24 hours.

Whenever essential information needs to be shared with our Local Presidents, I will email or call. Please add me to your phone contacts so you do not accidentally delete an important call. Also, to ensure my email to you is received and does not end up in your junk or spam folder, please add my email address to your contact list: lema81@wowway.com.

Merry Christmas and Happy Holidays to all of you and your families.

SGT-AT-ARMS

By Jennifer Zelony, Sgt-at-Arm

Salute the Flag

With Veterans Day just passed, everyone who was out for that day should have been doing this every time the flag went by.

What is the point of Saluting the flag when you see one or when you are in a meeting or at a ceremony where the American flag is present?

Very simple, it is to give respect to everyone who is, or has been, out making this world better and giving us the freedom we all have. For all those we lost and those who are still here. For those who are still fighting for what we have today. For our service men and woman fighting for our world so we have freedom and able to do what we do. For respect to our members and family and to the World.

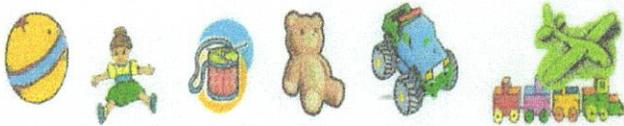

SCHOLARSHIP UPDATE

By Andrea Williamson, Scholarship Officer

With the holidays approaching we tend to be more financially focused on that versus donating to organizations like our scholarship fund. That being said, it's the perfect time to reach out to school districts and student organizations to spread the word on our scholarship. Make a facebook post and include the link for the scholarship application. Using social media to reach out is an easy and effective way to connect. Try private messaging your local high school and include the link for the application.

I know not everyone is comfortable making phone calls to people we don't know. This is an easier way to connect. Sending out the scholarship applications will raise more awareness and get more applicants!

If you have any questions or need a sample script please reach out. andrea.j.3181@gmail.com

As our climate continues to change, the Northern Saw-whet Owl will face growing dangers — from fire weather to heavy rain — that could threaten more than 70 percent of its summer range. If nothing is done, this tiny owl may not survive. Fortunately, thanks to the Audubon community, we are making extraordinary progress to save vulnerable birds, like the Northern Saw-whet Owl, across the Americas.
