

3rd. Vice Community Service Bulletin September, 2025

I will be going to the National Convention in Greensboro NC. I will be returning on August 24th. I then will have more information on the PAWS with a Cause tour. As you know, Paws is the Department program and it is also the National program.

There are many things you do that will go under Community service. Besides PAWS you can donate to your local food bank, clothes to shelters, serve breakfast, lunch and dinners to the community, collect hygiene products, have bake sales, soup cook off, you can also help in the community by help clean up parks, help out a neighbor, donate blood, and many other things. When doing your mid-year report please have it post marked by November 5, 2025. If you have nothing to report still send in the cover sheet and write noting to report at this time.

Department 3rd. Vice
Allison Aldrich
