

Hospital Officer's Bulletin - August, 2025

Let's have a great year with all Posts submitting mid-year and final reports. Please be sure to use the updated form and if you have nothing to report, then a report (1st page only) needs to be submitted. Hospital assessment is minimally an item each Post should submit. Mid-year is due post-marked or emailed by Nov. 5th and final report by May 5th

This year, I have an award which is a cash award to the first Auxiliary that submits their life members assessment by Dec. 31st. It will be based on Auxiliary size.

Trisha Rosenberg
Hospital Officer
