

Please review your projects to assist our hospital officers to show our support for hospitalized veterans and homeless veterans. Let's make our veterans smile.

Let's have a great year with all Posts submitting a mid-year and final reports. Please be sure to use the updated form date May 2025 and if you have nothing to report then a report (1st page only) needs to be submitted. Hospital assessment is minimally an item each Post should submit. Mid-year is due post marked or emailed by Nov. 5th and final report by May 5th. Please reach out to any officer for help with your reports.

Trisha Rosenberg
Hospital Officer
