

SPECIAL MESSAGE TO OUR PAST DEPARTMENT PRESIDENTS:

This is #6 of the Department PRO's instructions:

The Department has a historical file which contains two pages, along with a 5 X 7 glossy photo of each Past Department President. The first page is a list of Officers and their projects. The second page is a brief description of the President's year. This is to be updated by the Publicity Officer/Historian.

This contains write-ups and pictures going back to 1947 and continues on every year until 2016. This is a wonderful record of our Auxiliary and hopefully the President will have the book at Convention this next year. Everyone would probably love seeing it.

You are now wondering what happened in 2016 – NOTHING! There is no record of our Department Presidents since Faye Richardson-Green in 2015-2016. What a shame!!!! We are asking the following Past Presidents to PLEASE make a couple pages for this History Book. Do the best you can – list your Officers – find a picture.

Seletha Robertson 2016/2017

Wendy Lynema 2017/2018

Kathryn Schultz 2018/2019

Bertha Lema 2019/2020 and 2020/2021

Cel Rose Rolak 2021/2022

Kathy Keizer 2022/2023

Patricia Michalski 2023/2024

Gloria Hall 2024/2025

Our Current President Pam Pearce is already working on her submission. We really need the above 8 Presidents to help restore this priceless book. When you get your pages done, please send them to President Pam Pearce. We will report next month on the results of our request.
