

SOS

With the conference just coming to a complete conclusion, if you missed it , it will be posted on the website under pictures, so I strongly suggest that you take a look. In the mean time you need to be getting reports in by NOV 5th 2025. Things if you are trying to find things to do so you have something to report with the holiday's around the corner and coming up think of making care packages for those who are out active, and then you even have those that are already out that you may know. Think about helping out a different can collect and send to a certain base, or a place that helps members that were in the service at one point in time or active members.
