

3rd Vice Community Service

Jennifer Zelony

Soon is National Convention after Convention there will be a date for the Paws WITH A Cause tour selected and announced, during Fall Conference to those who are there and it will also be out in the new letter for those that can't make conference. If you haven't been to the Paws facility you are missing out on a lot of fun and seeing this place in person it's amazing. I just want to also mention if you have any question on if your project is community service or not please reach out I have seen in the past that post Auxiliaries are putting projects for other areas on their community service reports so it's important to make sure you record what you have done on the right report. I hope to see new people coming to the Fall Conference this October and for those who have questions please bring them and I will answer what I can.
